BUILDING THE WALL

Layton, UT

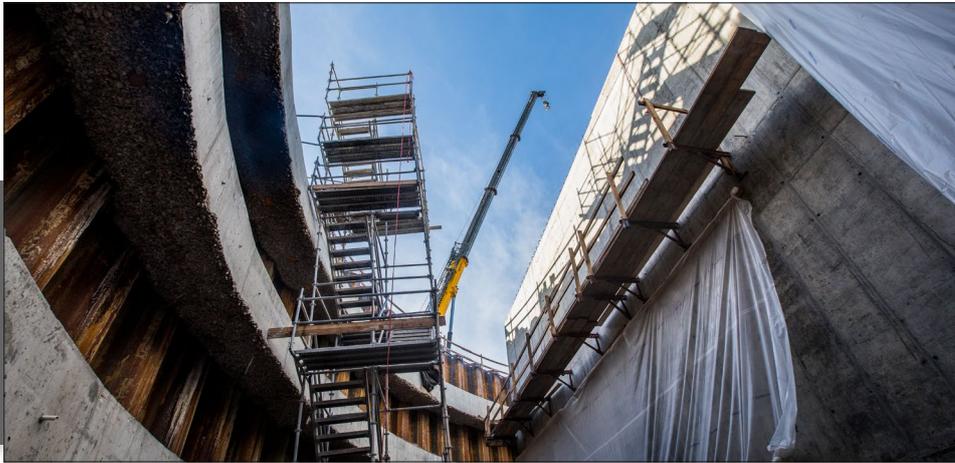

Not to get too political, but here at Mountain-We LOVE to build walls! In fact, our tilt team is incredible at it! We average over 50 tilt ups per year. Here our 500 ton AT placed all the walls for this project in 2.5 days. Thank you to our friends at Tom Stuart. We loved working with you and seeing another building take shape.

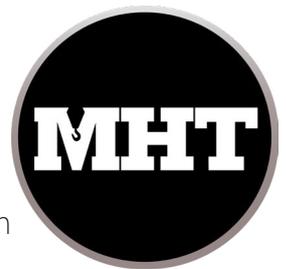

Water Reclamation Facility, SLC UT

“ MOUNTAIN HEAVY TRANSPORT

Our Heavy Haul team moves everything from yellow iron, cranes, transformers and everything in between. Pictured here we are moving a CAT 745 rock truck. It weighed 80 k lbs, was 12 wide, 12 high and 35 ft long. Traveling from Salt Lake to Arizona. Keep on Truckin!

MOUNTAIN

STRONG

The core of Mountain is a top notch crew who is committed to SAFETY and executing every job with professionalism and precision. We are proud to be Mountain strong.
