2015 YEAR IN REVIEW

2015 was a BIG year for Mountain Crane, with lots of unique projects and exciting events. Take a look at some of our top highlights from the year:

Mountain Crane helped build the new [Park City Sky Trac](#), linking Park City Condos with the ski slopes at Deer Valley.

Mountain Crane performed a [unique lift](#), using a Grove 550, a Liebherr 500, and a Grove 275 to place a spray dryer filtration system.

One of only four cranes in the US, the [LTM 1750 9.1 crane](#) joined our fleet in March. This crane has a lift capacity of 900 ton!

In the Spring, Mountain Crane worked on a [major turnaround project](#) at a local Salt Lake City Refinery.

Mountain Heavy Transport assisted in the transportation of a [large water purification assembly](#) to North Dakota.

Mountain Crane's Liebherr 500t helped erect a [310 foot tower crane](#) in downtown Boise.

In July, Mountain Crane hosted an [interactive lunch and learn](#) at the yard.

In August, Mountain Crane utilized the new Liebherr 1750t crane to place the new [LEF tower](#) in Sinclair, Wyoming.

Surrounded by cornfields in Fort Dodge, Iowa, Mountain Crane replaced a 50,000 lb. gearbox on a [Siemens 2.3 megawatt turbine](#).

Mountain Crane moved a [broken mine tressil](#) back to its original location. The tressil is 85 feet tall and weighs 76,000 pounds.

Mountain Crane had two Grove TMS9000e cranes working in tandem to set all of the trusses at the [Idaho Falls Airport](#).

Mountain Crane helped build the [Utah Valley Regional Medical Center](#), involving two new 2 story and 12 story structures.

A Very Merry Star Wars Christmas

Mountain Crane celebrated the holiday season with a Star Wars themed company party with dinner and the Star Wars midnight movie premiere. Festivities included a costume contest, Star Wars trivia, games and a raffle.

Mountain Crane appreciates opportunities like these to show gratitude for the wonderful and talented employees who make up th Mountain Crane Team.
