## Lifting a 280,000 Pound Boiler

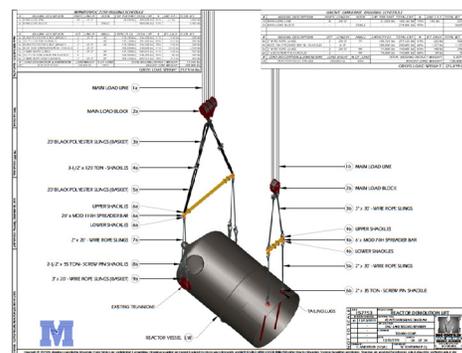

### Inside this Issue:

- Lifting a 280,000 pound boiler
- Mountain Crane Celebrates the New Year!
- Mountain Heavy Minute
- Enter to Win:  
A Liebherr 16000 Model Crane!

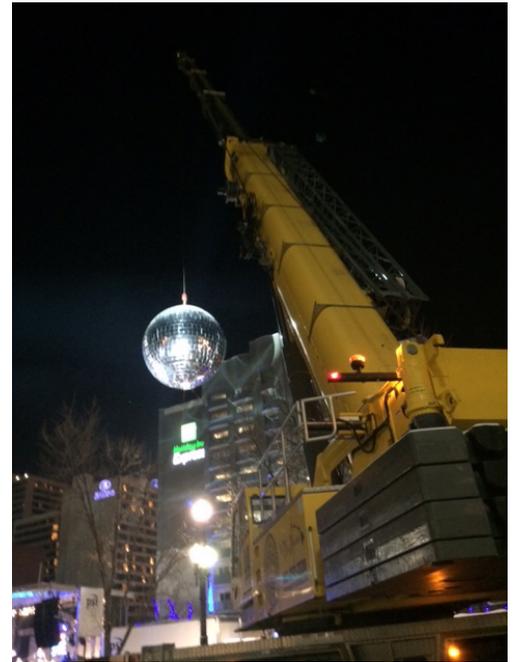

### ENTER TO WIN

[Enter to win](#)  
We're giving away  
A Liebherr 16000  
Model Crane!

Mountain Crane recently had the opportunity to work with the Salt Lake City Tesoro Refinery to move a 280,000 pound boiler. In addition to providing the engineering on the lifting lugs system for this project, Mountain Crane was pleased to provide the lift plans for the crane. While looking at this project, we chose the 2250 CR and the 6300L AT as the right tools for the job.

---

## MHT Minute

MHT is anxiously awaiting our new dual lane trailer that arrives shortly. The Faymonville Dual-Max will send MHT into the SUPERLOAD stratosphere. We will be able to transport loads in excess of 400,000 pounds over the road with this European-built marvel. This trailer combines industry-leading technology, efficient design, and extremely low tare weight. Combine all of that with MHT's exceptional people and you have a winning combination.

Let MHT be a part of your next SUPERLOAD!

# FEBRUARY ENTER TO WIN: A Liebherr 16000 Model Crane!

This month's enter to win drawing is for a Liebherr 16000 Model Crane. This beautiful model crane comes ready to be assembled. One of our sales representatives will be happy to help you set up this crane for proud display in your office or home!
