Elko Mine Expo 2012

Mountain Crane Service was excited to participate in this year's Elko Mining Expo. It is one of the oldest and most respected mining expos held in the United States and draws thousands of people, nationally and internationally, to its mining industry exhibits. We set up an outdoor booth and displayed our Liebherr LTM1165 200 Ton All Terrain Crane.

This year, Mountain Crane decided to promote the abilities of our cranes by allowing people to ride securely harnessed in a caged man basket. As the crane lifted people 200 ft. in the air, they could overlook the city. Our crane lifted hundreds of people and was definitely a highlight of the convention.

Mountain Crane's "Sky-Rides" caught the attention of local media and were aired on the evening news. Crane operator, Bowdy Pingree, and oiler, Tony Christensen, were also interviewed by a local newspaper. [Click here](#) to read the full article.

Mountain Crane has participated in the Elko Mining Expo for three years in a row and we enjoy the opportunity to showcase the capabilities of our equipment.

Tyson Allen Fundraisers

Mountain Crane Service would like to thank Wanzek Construction as well as all those who participated in the golf cart raffle for their contribution to our crane operator Tyson Allen.

We would also like to thank all those who went to either of our restaurant fundraiser nights at Buffalo Wild Wings or Texas Roadhouse. We had a wonderful turn out and appreciate so many people being willing to help out Tyson and his family.

Big-D Family Safety Fair

Big-D Construction hosted a family safety fair where family and friends of Big-D employees were able to come enjoy outdoor activities, food, and fun as well as learn about safety in the construction business.

Mountain Crane brought one of its Rough Terrain cranes for display at the fair. Children were able to climb inside the operator's cab and ask questions about these big machines.

We want to thank Big-D for the invitation and for the opportunity to promote crane/construction safety.

Utah Lineman Rodeo

Mountain Crane brought its Liebherr LTM1165 200 Ton All Terrain Crane to give bucket rides in a man basket to those in attendance at the rodeo and was a proud sponsor of this event. We already look forward to next year's event.

Mountain Crane recently participated in the Utah Lineman Rodeo hosted by Rocky Mountain Power/PacifiCorp. The annual rodeo is a fundraising event for the University of Utah Burn Center. This particular event also celebrated the centennial of Rocky Mountain Power. It consisted of several competitions between lineman from all around the northwest as well as other family friendly activities.

Hunter Hall Racing Event

Craig Hall, a long-time Mountain Crane employee, lost his 12 year old son, Hunter, in a four-wheeling accident last month. Mountain Crane is partnering with Rocky Mountain Raceways to host a racing event with all proceeds going to help out Craig Hall and his family.

See the attached flyer for more information on how to purchase tickets to this fundraising event.

Mountain Crane Service provides a variety of services across the Intermountain West including plant shutdowns, steel, pre-cast panels, heating and cooling units, transformers, pools and hot tubs, demolition, windmills, and bridge girders, to name a few.
