September 2012

PCS Augusta, GA LRI750 Crane

Mountain Crane Service performed its heaviest lift to date with a **Liebherr LR1750 Crawler Crane**. Working with Barnhart Crane and PCS, Mountain Crane performed a series of heavy lifts on site in Augusta, GA.

The crane was configured with 230 ft. Main (S) Boom and 131 ft. Derrick. There were 485,000 lbs. Superstructure Cwt, 209,000 lbs. Carbody Cwt, and 643,000 lbs. Cwt on the Ballast Wagon.

Inside this Issue:

- PCS Augusta, GA LRI750 Crane
- Lehi High School Mascot Bowl
- Retreat to San Francisco
- Employee Spotlight
- Giveaway: Giant Pumpkin

[Enter to win](#) a Giant Pumpkin!

The crane erection was supervised by Travis Horton and was done on time and safety compliant. The crane was operated by Roy Justice (day shift) and Ryan Neff (night shift). All crew members were recognized for their performance during these critical lifts.

The heaviest of the lifts was 551,000 lbs., which was walked into the unit and set at a 85 ft. radius. The second heaviest lift was 530,000 lbs. set in place at a 95 ft. radius.

Lehi High School Mascot Bowl

Mountain Crane Service assisted the Jazz Bear in setting a new world record at the Lehi High School Mascot Bowl. The Jazz Bear launched a hail marry from atop Mountain Crane's 350 ft. tall Liebherr LTM 1160 200 Ton All Terrain. This broke the world record for highest-thrown-and-caught-football. The Jazz Bear's throw reached speeds of over 80 mph!

You can see more about the Mascot Bowl with the following news clip.

Retreat to San Francisco

Mountain Crane Service took advantage of the long weekend over Labor Day by taking a group of key Operations employees on a retreat to San Francisco. With projects across the country, it is very rare that all 12 of these guys are together at one time.

The guys got to relax with a 49ers football game, a stop at Golden Gate Bridge, and golf at Pebble Beach (resulting in a hole in one) along with some leadership training provided by Corporate Alliance and a dinner sponsored by Liebherr Cranes.

Don't worry, the ladies get a retreat of their own in October!

Employee Spotlight: Mamata Sharma

Mamata has been with Mountain Crane for almost a year. She was originally working as an accountant for a retail business and was looking for a change to learn different accounting practices when she was given an opportunity to join Mountain Crane. Her favorite thing about Mountain Crane is the people and culture of the company.

She is originally from Nepal. She has been married to her husband, who is a software engineer, for 4 years. She has a sweet little 9 month old Havanese puppy named Snowie Shatta (whose last name is a combination of her last name, Sharma, and her husband's last name, Bhatta).

Mamata enjoys learning new things. She recently completed her Master's Degree in Accounting and loves watching movies and documentaries, biking, playing with her puppy, and spending time on Skype with her family back home. An interesting fact about Mamata is once every other month she has to get a full day of sleep. She will feel extremely tired one day and when she goes to bed she won't wake up except to eat meals, but she has few memories of these bizarre days except that she knows she was asleep for a long time.

Mountain Crane Service provides a variety of services across the Intermountain West including plant shutdowns, steel, pre-cast panels, heating and cooling units, transformers, pools and hot tubs, demolition, windmills, and bridge girders, to name a few.

Heavy Haul service is also available.

Mountain Crane Service employees receive continual training through Operating Engineers Local 3 and have their CCO Certification.

Check out our website at www.mountaincrane.com for more information.

Utah's Largest Crane Fleet

Load charts for each of our cranes are available online at www.mountaincrane.com/fleet.

Giveaway:

For the past two years, Mountain Crane has given out a giant pumpkin around this time of season and would like to continue this tradition this year as well. Mountain Crane would like to give one lucky newsletter recipient a pumpkin weighing up to 500 lbs. as this month's giveaway. The pumpkin will be delivered to a location of the winner's choice in time for Halloween.

Whether you want it for yourself, kids, or grandkids, this is a pretty good opportunity to celebrate Halloween in style!
