Mountain Crane Law

In order to serve our customers better, Mountain Crane has established what we call the Mountain Crane Law. This incorporates three elements that we consider crucial for a job well done, which are summarized in the terms on-time, prepared, and safety compliant.

The law states that the company will
1) arrive on time AND finish on time
2) will have ALL the information and equipment required to complete the job and
3) will be compliant with its own stringent safety standards as well as those of the customer.

Top: Mountain Crane emblem created to represent the Mountain Crane Law.

Bottom: Our cranes and operators demonstrating the characteristics of the Mountain Crane Law.

The Mountain Crane Management Team reviews MCL successes and areas for improvement in a weekly meeting.

Employees are nominated for MCL Representative of the Week based on their performance and attitude.

Customer feedback is a valuable tool in gauging the performance of our company and individual employees. Feel free to contact your sales rep for more information.

Contribution to World Series 14's

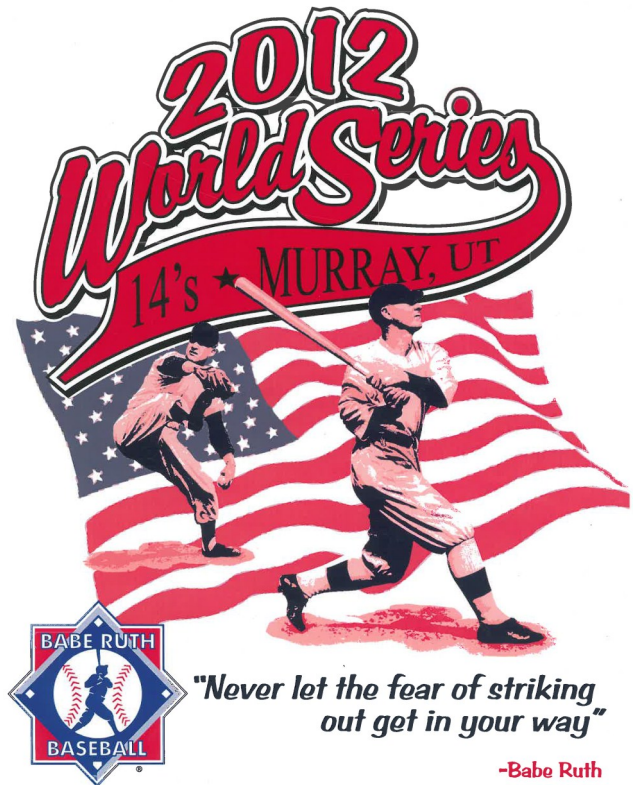

Over the summer, Mountain Crane contributed to the 2012 World Series for 14-year olds that was hosted in Murray, UT. This is a very prestigious event that relies on the support and donations of local businesses to succeed and accommodate all those who come to participate.

Mountain Crane Service was officially honored and saluted as one of the businesses which made exemplary contribution to the success of the Babe Ruth 14-Year Old World Series by the Mayor and Murray City Municipal Council.

**A JOINT RESOLUTION OF MAYOR DAN SNARR
AND THE MURRAY CITY MUNICIPAL COUNCIL, MURRAY CITY, UTAH
COMMENDING MURRAY CITY BUSINESSES
FOR THEIR EXTRAORDINARY SUPPORT OF THE
BABE RUTH 14 - YEAR OLD WORLD SERIES BASEBALL TOURNAMENT**

NOW THEREFORE, BE IT RESOLVED by the Mayor and Murray City Municipal Council that the participating Murray City businesses including: Apple Spice Junction, Boar's Head, Church of Jesus Christ of Latter Day Saints, CU Auto Sales, Diamond Rental, Dunham Melons, **Mountain Crane Service**, Murray Area Chamber of Commerce, Papa Murphy's Pizza, Ryerson, Sam's Club,

Employee Spotlight

Erin Jepperson is the newest addition to our **Engineering Department**. Her favorite part about Mountain Crane is interacting with a wide range of personalities. She also enjoys getting to work with the various companies that Mountain Crane does lifts for and meeting lots of people, making every project unique and different from day to day.

Erin was born and raised in Salt Lake City. After graduating high school she moved to San Diego for a couple of years. She has an awesome cat, two sets of parents and an older brother who she is very close with.

She enjoys doing pretty much anything when she has free time, from being outdoors and going on river trips, dining out, or just taking it easy watching this or that from the comfort of her couch. Erin also plays the piano and enjoys skeet shooting. To keep her engineering side balanced out with her more artistic side, she does occasional work at a theatre and even tries to oil paint every once in a while.

Mountain Crane Service provides a variety of services across the Intermountain West including plant shutdowns, steel, pre-cast panels, heating and cooling units, transformers, pools and hot tubs, demolition, windmills, and bridge girders, to name a few.

Heavy Haul service is also available.

Mountain Crane Service employees receive continual training through Operating Engineers Local 3 and have their CCO Certification.

Check out our website at www.mountaincrane.com for more information.

Utah's Largest Crane Fleet

Load charts for each of our cranes are available online at www.mountaincrane.com/fleet.
